

*Three Stores  
Three Hours  
3000 ribbons*

## *To Help Fight Breast Cancer!*

*On October 22<sup>nd</sup> from 1:00-4:00pm three local knitting stores will stitch together to help in the aid of fighting breast cancer by knitting and crocheting 3,000 pink ribbons.*

*We are asking for donations of any and all pink yarn from now to the time of the event. If you have yarn that you would like to donate, please drop it off at your local shop in the bin designated - decorated in pink!*

*On the day of the event you will be given a pattern and a quick demo on making the ribbons...our objective is to make 1,000 ribbons at each shop. A pin will be attached to each ribbon and placed on a tree. These ribbons will then be on sale for \$3.00 for the public to purchase at each location.*

*We will have a game of "Let's Make A Deal" throughout the day; prizes donated from our sponsors will be awarded every half hour. This is sure to be a fun event for a well-worthy cause, so pack your purse with pink!*

*If you or someone you know has a testimonial that they would like to share, please bring it in to be posted in your local shop.*

*Tickets for the event will be on sale starting Oct. 5th and will be \$5.00 each.  
All proceeds from this event will go to a local Breast Cancer Group.*

*Please join us in helping to fight breast cancer on Sunday, October 22nd from 1:00-4:00*

*Thank you!*
